पहला मोड़ FIRST FOLD

Keynesian Economics, which recently (Spring, 1982) published pieces on European monetarism. Given Mitterand's "expansionism" in France, what do you think of Econ. Applique/European Econ Papers?  
In short, I leave it to you to choose any Journal you like, except I have a preference for Monthly Review for its wider audience, looking for arguments against "monetarism".  
Unfortunately, there is no plan of my coming to Vienna soon. Shall write a longer letter soon.  
In haste, yours  
Amit.
