Dear Professor Roncaglia,

Let me thank you and your family
and your colleagues for the warm reception
in Rome. and your splendid hospitality.
You have done everything to make me feel happy.

The Canino record fulfills all
expectations and I shall listen to it often.

Siena was pleasant but rainy.

I am looking forward to see you again
in August.

With my best regards

Yours

Tommaso Grossi

I include the receipt from the Hotel Villa
Florence which - forgetful as I am - I failed
to pass on to Prof Pallandrini.
