RIVISTA TRIMESTRALE
DELLA BANCA NAZIONALE DEL LAVORO

16/XI/87

Dear Josef,

I have listened to a beautiful concert - 4 hours of Schubert, ending with the trio to which you introduced me (with a recording, also, by Filippini and Camino) - and I wished you were here. I enclose the program, so that you will be able to imagine what went on.

As for Trieste, everything is still very vague; we will probably have a meeting late in December, when Garenghi will be back from New York and Jan will be in Georgia - which is not a promising situation.

Both Dr. Ceriani and I look forward to your articles, of which we spoke in Trieste.

With all good wishes,

Alexander
