

Dear Josef,
 Fed up with the Philipp
 and their bad weather,
 cut short our stay and came
 up to Yosemite for a week.
 It is as beautiful as ever,
 though there is less snow
 than when you were up
 here. We hope you had a
 nice time in Sibs, we
 definitely plan to join you
 there next year.

YOSEMITE NATIONAL PARK, CALIFORNIA
 Half Dome and the Merced River in winter

When winter spreads a thick white blanket of snow
 over the mountains, Yosemite becomes a veritable
 fairyland.
