The Secretary

Society for the protection of science

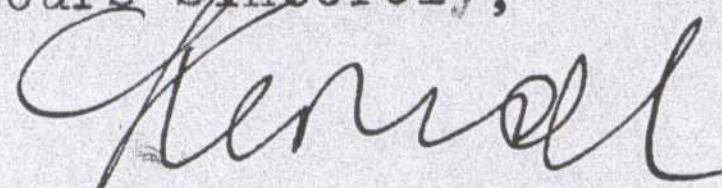

and learnign 6, Gordon square, London W.6.1

Dear Sir,

I thank you very much for your kind letter and I beg to send you enclosed the filled in form. The information is not complete in so far as I am not yet officially dismissed, but I know that dismissal will take place soon; I decided to send you the form immediately and to write again when I am informed of my official dismissal. The curriculum vitae is already in your hands as well as a copy of a testimonial by Prof. Hayek and a testimonial by Prof. Strigl. I enclose a list of publications.

I thank you very much for your kindness.

Yours sincerely,

Dr Josef Steindl
