

April 25, 1938.

Dear Dr. Steindl:

I have received your letter of April 16th in which you refer to the possibility that you may lose your position at the Institute for Trade Cycle Research.

I regret that I am unable at the moment to give you any information as to whether it might be possible for you to find a position as Research Assistant in an institution abroad. It would perhaps be useful if you were to communicate your curriculum vitae to The Society for the Protection of Science and Learning, 6 Gordon Square, London, W.C.1, which is prepared to assist scholars in every way possible to find new openings in other countries.

I remain,

Very sincerely,

Tracy B. Kittredge.
