Dr. F. Nemschak,
Osterreichisches Institut für Wirtschaftsforschung,
Wipplingerstrasse 34,
Wien, I.

Dear Dr. Nemschak,

Dr. K. W. Rothschild, a young Austrian whom I do not know personally but who has established a very good reputation by a series of publications, has decided to go back to Vienna in the hope of finding some suitable position, either in research work or in the civil service. I suggested to him in reply to his enquiries that the one place in Vienna where he might find congenial work was the Institute, and that he should on arrival at once get in contact with you. He expects to arrive in Vienna some time in March. For your information I enclose a curriculum vitae which he sent to me. I am also giving him an introduction to one or two people in the civil service who might be interested in his services.

With the best regards,

yours sincerely,

F. A. HAYEK
