

kind of investment funds (invested rules
of thumb) that ~~you~~ can think of.

This will only be complicated
if there are ~~new~~ ^{new} ~~outlets~~ ^{outlets} & ~~with~~ ^{with},
because there is no mechanism
which ~~governs~~ ^{governs} by which they
communicate & which will insure
that the two ^(investment & disinvestment) ~~concepts~~ ^{concepts}.

Stationary Economy — "Investment funds";
Keep capital intact

(a) It contradicts all our experience
about capitalism: They try
to expand!

But the "miracle" is a figure of character,
so the above fits it!
