

ps 51

Power has shifted from the corporation to the
opportunistic middlemen of Wall Street,

[Gallbraith's views on the dominance of
the corporation are ~~not~~ untruly now]

G. has seen now that

power has shifted to the
investment houses that
manage the ledgers of equity
against debt.

As the market have grown larger
& more complex the role of
the middle man has become
critical.

Phenomenal growth of the Trust & Banks,
pp 80 to 86.
